PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION
SENATE AMENDMENT ,
TO SENATE SUBSTITUTE AMENDMENT 2,
TO SENATE BILL 278

1 At the locations indicated, amend the substitute amendment as follows:

2 **1.** Page 3, line 6: after "bodies." insert "Before determining whether to restrict
3 public access under subdivision, the department shall hold, in a county in which the
4 proposed ferrous mining site lies, a public hearing to allow on the issue of whether
5 additional restrictions on access are necessary to ensure such safety. The
6 department shall consider any statements or comments from the public that are
7 made or submitted at the hearing before making its determination."

Subject: Another amendment

Please draft another amendment to the Cowles sub that would leave the sub's language on 'the department' as is but would require the department to hold a public hearing near the proposed mine site regarding the land closing prior to DNR's decision, and would require DNR to take public input into account when making their decision.
